Cucina Italiana Goes Green

Cucina Italiana at Spanish Flat Village Center at Lake Berryessa is now certified as a Bay Area Green Business, the FIRST restaurant in Napa County to achieve this distinction.

"We encourage other businesses to go green, make our community a better place to live while enjoying energy and water savings in real dollars, says Co-owner Sharyn Simmons who along with Stefano Gusberti designed their restaurant starting with a plan and an audit from PG & E to conserve energy use, and from there added only energy efficient appliances and drought tolerant plants.

Cucina Italiana would like to add solar panels as a way to ease energy use, it is just financially out of reach for us right now, but we continue to explore alternatives to "get off the grid"

Information on how your business can be certified green is available from the County of Napa, Department of Environmental Management.

Lake Berryessa / News from Capell Valley Elementary!

Meet Mrs. Kathy – Mrs. Kathy is Jon Soper’s instructional aide for the 3rd, 4th and 5th grade class @ Capell. Kathy was born and raised in Live Oak a small town south of Chico. She has been married for 27 years and has two boys Jacob who is 25 and Jordan who is 23; both are alumni of Capell Valley! They have 3 dogs and 1 cat. As a family they like to camp, fish, hunt, four-wheel, kayak, have large family BBQ’s and watch old westerns. Kathy’s love for children started at an early age when she would baby-sit, she was a camp counselor, worked in the children’s church, volunteered in summer SDC classes and was an active member of Napa Valley co-op Nursery School. Kathy has volunteered in her children’s classroom throughout their school years and has worked as an instructional assistant for the Napa School district for 18 years, 5 of which have been @ Capell Elementary. Kathy’s favorite part of working within the school is the hands on experience of helping children succeed in their education, she believes children are the future and she will forever strive to enhance their abilities and uplift their minds and hearts whenever possible.

Recent Testimonial: *“I love Capell Valley Elementary for many reasons, my kids are not just a number here, they are like one big family. They get to spend time with their siblings too! I cannot tell you how much it meant to my son in kindergarten that his big sis was his reading buddy at school. He thought it was the greatest thing ever. And later my daughter admitted it made her very proud to help him adjust to school. I feel my children are closer because they are at a small school and get to learn together. In today’s world being close with your family means you always have a friend.”* – Erin Pease.

We would like to invite everyone in the community to help support Capell Valley elementary by joining our escrip program! It’s easy! Just register your Safeway, Macy’s or Visa/Mastercard @ www.escrip.com and choose Capell Valley elementary as the school of your choice. Cappell Valley Elementary will receive a % of your purchases. Also, please feel free to donate to our **BOX TOPS** fundraiser! Just drop off your box tops at the school office.

Also! Don’t forget! Karate is being offered at the Capell Valley Firehouse Wednesday’s from 5:30pm to 6:30pm! Come down and join the fun! \$8.00 per class!

If you want more information about Capell Valley Elementary please contact Jon Soper at 707-252-2483 or via email @ jsoper@nvusd.k12.ca.us

Such a Dogs Life! Dogs of the week

The photo on the right lower corner is **Kisch** a TV watching dog who worked at a golf course 14 yrs now retired, (Border Collie and Heeler mix) Say the word TV & She was gone, of course headed for the TV& sit & watch it.. Her hearing has gone so she now waits for hand signs. She also loves traveling & of course making sure her master is going the right way. While her master drives she will not sit she stands right by her master, She has done this since she was a pup.

Above left side is **Pico**, 3 yrs, Jack Russell, loves to wander off and play with kids, likes to taking a Donkey ride, and go on R.V. outings with Kisch & owner Ann Curtis from Pope Valley. Last trip was From Pope Valley to Redding, To a horse cutting show in McArthur then to Golfing in Likelyville. Pico slept through pretty much of the trip on the R.V. Dash Board on her favorite dog pillow. . Owner Ann in her day was a Sky Diver but that's a whole other story. Send or e-mail in your favorite pet picture & story.

I was thinking about how people seem to read the Bible a whole lot more as they get older. Then, it dawned on me, they were cramming for their finals.

As for me, I'm just hoping God grades on the curve.

FISHING WITH SID

Sept. 7th 2008

Weather wise lake Berryessa was still Hot, Hot, Hot. It was so hot that I elected to stay on the dock in the shade which was still Hot!!!! My buddy Albert came to join me on Saturday and we spent most of the day catching catfish and carp. Our largest catfish that day was 8.6 lbs on Albert's scale. The fish were busting all around us. Michelle and her husband came down to the dock to fish with us and she landed a first for me. She landed a large muskrat which we netted and within ten seconds it ate through the net completely and was gone. Sorry Albert we know that was your favorite net!!!! On Sunday I fished at the dock again (another hot day) and I was joined by Blake and her boyfriend. Her boyfriend said he would show her how to catch fish and when the score was three to nothing in Blake's favor she told him she would give him lessons. It was Blake's birthday which may account for her good luck that day. It was a slow weekend but still a lot of fun. 'til next week..... fishing!!!!!!!!!!!!!!!!!!!!!! www.fishingconnection.net If you have any stories you would like to share please email me at bestguide@hotmail.com or call me at 650-583-3333.

Lemon-Garlic Chicken Linguine

By Christine C. 1/4 c. unsalted butter

2 - 3 Tbs olive oil

1/2 c. fresh lemon juice

Zest of 1 lemon

1 Tsp. salt

1 Tsp. fresh or crushed dry marjoram

Fresh ground black pepper to taste

8 cloves fresh garlic finely chopped (or to taste)

1 c. chopped scallions

1 lb. boneless, skinless chicken breast (approx.)

1 c. white wine (your favorite)

1 lb. Dreamfields Linguine

1/2 pasta water (water used to cook the pasta)

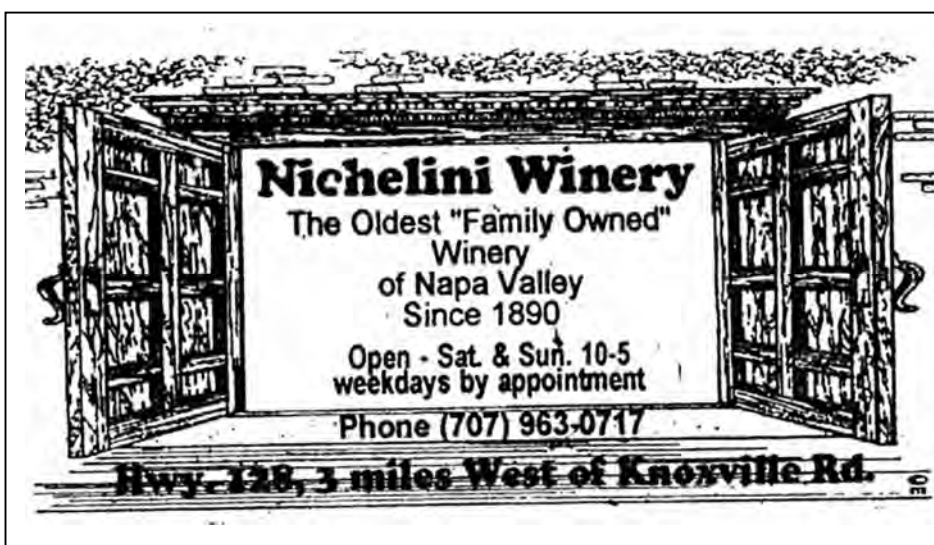

Garnish with freshly grated Romano cheese if desired

Directions:

In a large frying pan with lid, brown chicken on all sides in the butter and olive oil. In a bowl, mix together lemon juice, lemon zest (set aside about 1 tsp. for garnish if desired), salt, pepper, marjoram, garlic, and scallions (set aside about 2 Tbs. of scallions for garnish if desired). Pour over browned chicken, cover and simmer on top of range for 20 - 30 minutes or until fork-tender. While the chicken is simmering, prepare linguine according to package directions. Remove chicken and cut into bite-sized pieces. Add wine to the pan, heat and stir being sure to get all the brown pieces left on the bottom of the pan. Once the wine has cooked for about 2 minutes, add the boiling pasta water and let it reduce. Add the chicken back into the sauces. Drain the pasta, plate to a serving dish. Pour hot chicken sauce over the pasta. Garnish with cheese, lemon zest and chopped scallions if desired. Serves 4.

AS I LIE AWAKE

I lie awake waiting for you. As I lie on my bed, thinking about you, I feel this strong urge to grab you and squeeze you, because I can't forget last night. You came to me unexpectedly during the balmy and calm night, and what happened in my bed still leaves a tingling sensation in me.

You appeared from nowhere and shamelessly, without any reservations, you lay on my naked body. You sensed my indifference, so you applied your hungry mouth to me without any guilt or humiliation, and you nearly drove me crazy while you drained me. Finally I went to sleep.

Today when I woke up, you were gone. I searched for you but to no avail, only the sheets bore witness to last night's events. My body still bears faint marks of your enthusiastic ravishings, making it harder to forget you. Tonight I will remain awake waiting for you...

....you rotten low life mosquito!
And what were you thinking??
